PREFACE

(Furnished by Staunton Business League.)

Staunton, the county seat of Augusta County, Virginia, lies in the heart of the Valley of Virginia; in the center of the wheat, corn, cattle and apple section of Virginia.

Staunton is a city of 10,604 people, according to the last census. Building permits in the city last year amounted to $156,000.00, an increase of $66,300.00 over the building record of the previous year. Two hundred and fifty-seven merchants in Staunton do an annual business in ecesxs of $4,750.00. The five banks of the city have total resources of $3,419,225.00. Two railroads serve the city and a third runs within 13 miles of Staunton. Her trade territory covers approximately 100 miles. The city's manufacturing plants, according to the 1914 census estimate by the U. S. Government, showed a gain in capital invested of 13.9 per cent. for a total of $813,000.00; the cost of raw materials used increased from $896,-000.00 in 1909, to $1,087,000.00 in 1914, a gain of $191,000.00 or 25 per cent. The value of products gained $226,000.00 over $1,-222,000.00 from 1909 to 1914, reaching a total of $1,448,000.00 or 18.5 per cent. Staunton plants produce flour brick, evaporated apples, ice, cattle feeds, fertilizers, stone, lime, pennants, plows, wagons, barrels, roofing and overalls.

In the public schools of Staunton are 1,319 pupils. The three public school buildings are valued at $75,000.00. The city spent in 1915 $20,951.00 in maintaining her school system. Staunton also has six private schools with an average annual patronage of 1,178 pupils. The city also has two large State institutions; the State asylum and the school for the deaf, dumb and blind.

Staunton is one of the richest cities of the South. Her people are thrifty and prosperous as was attested in January, 1915, when local banks showed earnings of $100,000.00 for the year and paid out in dividends $61,000.00.

Augusta County is a large producer of wheat, corn, apples, small grain and cattle. According to the last available government figures Augusta County was producing annually: Hay and forage crops, $638,327.00; 260,000 barrels of apples; cereals valued at $1,741,615.00; all farm crops valued at $3,071,543.00; received from sale of stock, $763,895.00; from sale of poultry and eggs, $361,-003.00; from dairy products, $97,869.00; value of sheep, $143,-468.00; 8,354 dairy cows; produced 640,041 pounds of butter; produced 78,230 bushels of oats; vegetables valued at $225.623.00; cattle valued at $738,306.00; bushels of corn produced, 1,170,000; 768,890 bushels of wheat; and received from the sale of feedable crops, $364,480,000.00. WE SOLICIT YOUR BUSINESS, LARGE OR SMALL

The Dunsmore Business College, Inc.
Reincorporated 1914
STAUNTON, VA.
Established 1872 45th Session Chartered by Legislature 1884

It does not guarantee positions or agree to pay railroad fare as an inducement to secure patronage. It DOES guarantee thorough preparation for securing and holding a position after it has been secured. And to this end it has been wonderfully successful. At this time not one of our Combined or Full Course Graduates is out of employment, their salaries ranging from $40 to $300 per month. Write at once for catalogue and statements that verify the foregoing assertion.
J. G. DUNSMORE, President.

Don't Deny yourself and family the privilege and pleasure of electric lights. They are so much better and so much cheaper than the old kind that there's no comparison.
We'll be glad to estimate on wiring your house.

EVERY COMMUNITY HAS ITS BEST PAPER

THE PROOF IS IN THE READING

The Staunton Leader

Is a member of the Audit Bureau of Circulations, whose last audit (January, 1916), certified to a net paid circulation of 4,628 copies daily.

The LEADER guarantees to its advertisers a 25 per cent. more net paid circulation than any other daily paper in this territory. It is the only paper in the State publishing both an evening and morning edition. It covers like a blanket Augusta, Highland, Bath and a part of Rockbridge counties.

The LEADER is an independent paper and a fearless purveyor of the news. It is intensely local, and devoted to the best interests of Staunton and Augusta county. It has grown from a small beginning to an actual leader in circulation, news value, advertising value and in championing the rights of Staunton and Augusta.

The LEADER is a home paper for home people, edited and published by people that you know.

Advertising rates on application. Subscription by mail, $2.50; in city, $3.00 per year.

POWER

An adequate power supply is a valuable asset to any community, but it should not only be adequate; it must also be reliable and economical. These three essentials are characteristic of the Staunton Lighting Company's power service. This explains why many of our customers have abandoned their own plants and have contracted for our service. PHONE 100
